Last week students were given “baby banks”, a Little Flower Lenten tradition. The banks are for collecting spare change during Lent to donate to those in need. Funds are shared between the Gabriel Project and the Camboni missionaries where Fr. Mike Barton, a son of the parish, serves. We will collect the banks at the end of the Lenten season.

If possible, please use door 1 when coming in to school in the middle of the school day. Our buzzer is temporarily disabled on door 4.

USCCB - Open Wide our Hearts, the enduring call to love, a pastoral letter against racism

The roots of racism have extended deeply into the soil of our society. Racism can only end if we contend with the policies and institutional barriers that perpetuate and preserve the inequality—economic and social—that we still see all around us. With renewed vigor, we call on the members of the Body of Christ to join others in advocating and promoting policies at all levels that will combat racism and its effects in our civic and social institutions. “Even in the developed world,” Pope Francis told members of the U.S. Congress, “the effects of unjust structures and actions are all too apparent. Our efforts must aim at restoring hope, righting wrongs, maintaining commitments, and thus promoting the well-being of individuals and of peoples.”<sup>40</sup>
